'Round my Indiana homestead wave the cornfields,
In the distance loom the woodlands clear and cool.
Oftentimes my thoughts revert to scenes of childhood,
Where I first received my lessons, nature's school; . . .
"On the Banks of the Wabash, far away."

Reddy Salutes You Seniors ... and adds a thought or two!

"Congratulations, you graduates. You're moving up in the world. So, good luck in whatever's ahead.

"But say, before you leave, let's think a bit about the past few years. How about those favorite classes, friends and all the fun? Hasn't it been great!

"And you know what? It could only happen here. Yes, free, fine education is part of the good ole U.S.A.

"Don't forget it when you've become a solid citizen with a family and all. 'Cause you'll need to remember ... to beat the guys who'll want a change.

"Democracy's best of all!"
